Disorders/Differences of Sex Development (DSD) - Translational Research Network

Role: Principal Investigator

\$132,600

GME Innovations Grants Program, University of Michigan Medical School 2020-2023

Training Residents in Shared Decision-Making: Proxy Decision-Makers and

Provider-Family Communication

Role: Principal Investigator

\$50,000

## **HONORS AND AWARDS**

1978 - 1981 Concordia University Graduate Fellowship (Montreal, Canada)

1978 - 1981 Predoctoral Fellowship from the Ministry of Education, Quebec, Canada

1982 - 1984 Postdoctoral Fellowships from the Quebec Medical Research Council and the  
Natural Sciences and Engineering Research Council (Canada)

2001 Fellow, American Psychological Association

2001 Charter Fellow, Society of Pediatric Psychology

2002 Organizer and participant in NICHD-sponsored interdisciplinary *Research  
Planning Workshop on Intersex*, May 2002

2005 Invited attendee to NIH/NIDDK Workshop. *Research Progress Report and  
Strategic Plan for Pediatric Urology*. Adelphi, MD, February 2-4, 2005

2005 Member, *Psychosocial and Psychosexual Issues and Management* work group,  
Lawson Wilkins Pediatric Endocrine Society/European Society for Paediatric  
Endocrinology Consensus Meeting on Intersexuality, Chicago, IL, October 27-  
29, 2005

2005 Award for *Outstanding Achievements in Research*, Department of Psychiatry,  
University at Buffalo, State University of New York

2007 Member, Consensus Guidelines for the Diagnosis and Treatment of Children  
with Idiopathic Short Stature. Lawson Wilkins Pediatric Endocrine Society and  
the European Society for Pediatric Endocrinology, Santa Monica, CA, October  
17-20, 2007

|             |   |
|-------------|---|
| 2012 – 2015 | Member, Steering Committee, International - Disorders of Sex Development Registry (I-DSD)   |
| 2012 – 2019 | World Professional Association for Transgender Health (WPATH): Chair, Disorders of Sex Development Committee  |
| 2014        | Planning group and invited attendee to NIH (NICHD and ORD) <i>Growing up with DSD: Critical Developmental Issues for Children and Families Affected by Disorders of Sex Development</i> , Bethesda, MD, March 26-27, 2014 |
| 2015        | Association of American Medical Colleges (AAMC) Advisory Committee on Sexual Orientation, Gender Identity, and Sex Development (Axis); Chair, Differences of Sex Development Ad Hoc Committee                             |
| 2016        | Co-Lead, Neurocognition & Behavior Committee, <i>International Turner Syndrome Clinical Care Guidelines Consensus Meeting</i> . Cincinnati, OH, July 24-26, 2016  |
| 2016 – 2019 | Member, National Institutes of Health (NIH) Sexual and Gender Minority Research Working Group (SGMRWG)  |
| 2018 – 2021 | Chair, Independent Advisory Board, European Registries for Rare Endocrine Conditions (EuRRECa)  |
| 2019        | American Psychological Association, Division 54 – Society of Pediatric Psychology, Dennis Drotar Distinguished Research Award in Pediatric Psychology   |
| 2019 – 2022 | Member, Task Force on Differences of Sex Development, American Psychological Association  |
| 2022 – 2024 | Member, I-DSD / I-CAH / I-TS patient registries Quality Improvement Committee <a href="https://home.i-dsd.org/qi-committee-members/">https://home.i-dsd.org/qi-committee-members/</a>                                     |

## **MEMBERSHIPS IN PROFESSIONAL SOCIETIES**

|             |  |
|-------------|--|
| 1984 –      | American Psychological Association   |
| 1988 –      | Member, Pediatric Endocrine Society (formerly Lawson Wilkins Pediatric Endocrine Society)                      |
| 1998 – 2013 | Member, Society for Developmental and Behavioral Pediatrics  |
| 2002 –      | Charter Fellow, Society of Pediatric Psychology – Division 54  |
| 2002 –      | Fellow, American Psychological Association   |
| 2003 –      | Member, International Academy of Sex Research  |
| 2009        | Executive Member, International Society of Hypospadias and Disorders of Sex Development (ISHID)                |
| 2009 –      | Member, Society of Clinical Child and Adolescent Psychology – Division 53                                      |

### **Ad Hoc Grant Reviewer**

- National Institutes of Health (1996; 2002; 2016)
- Pediatric Endocrine Nursing Society
- Human Growth Foundation
- Marsden Fund Council of the Royal Society of New Zealand (2016)
- ZonMw - The Netherlands Organisation for Health Research and Development (2020)

## **TEACHING ACTIVITIES**

### **College of Physicians & Surgeons of Columbia University**

- 1987 Continuing Medical Education Lectures, Rockland Children's Psychiatric Center, Orangeburg, New York. Structured and semi-structured child and adolescent psychiatric interviews. June 2, 9, 1987
- 1987 Co-taught sections of Child Development course to child & adolescent psychiatry fellows

### **Cornell University Medical College:**

- 1988 - 1990 Lectures directed toward psychology externs and interns, pediatric residents, and child and adolescent psychiatry fellows, Departments of Psychiatry and Pediatrics, North Shore University Hospital, in areas of clinical research methodology and psychoendocrinology

### **University at Buffalo, School of Medicine & Biomedical Sciences**

- 1990 - 2006 Lectures within field of psychoendocrinology to medical students and pediatric residents; monthly lectures
- 1991 - 2006 Behavior Therapy module of Seminar in Therapies for Children and Adolescents, Child Psychiatry Residency Program; 5 one-hour lectures
- 1999 - 2006 Moderator of Journal Club, Child & Adolescent Psychiatry Residency Program; monthly
- 1995 - 2006 Short Stature, Precocious Puberty, and Gender Identity Disorders: Seminar in Child Psychopathology and Neuropsychiatric Disorders, Child Psychiatry Residency Program; 3 one-hour lectures
- 1995 - 2006 Research Seminar, Child & Adolescent Psychiatry Residency Program; 12, 1.5-hour lectures
- 1997 - 2001 Human Behavior I: Human Psychosexual Differentiation. Lecture to all M2 students; 1, 2-hour lecture
- 2002 - 2006 Endocrine/Reproductive Biology/Life Cycle Module, Lecture to all M2 students; 4, 1-hour lectures

### **Medical Student Mentoring (NHLBI, NIH, Summer Research Program)**

- 2002 – 2003 Orlando Encarnación, Intersexuality: A survey of clinical practice (Phase I: Survey development)
- 2003 – 2004 Darrel Manney, University of Pittsburgh. Intersexuality: A survey of clinical practice (Phase II: Survey administration)
- 2004 – 2005 Latonya Hendricks, Southern Illinois University at Carbondale. Psychosocial treatment for families of children born with congenital adrenal hyperplasia (CAH) identified through newborn screening
- 2005 – 2006 Lolita Ontiveros, University of Wisconsin-Milwaukee. Psychosocial adaptation to short stature: family contextual variables

### **University of Michigan**

#### **College of Literature, Science, and the Arts**

- 2014 Guest lecturer: PSYCH 438 - Hormones and Behavior (Jill Becker, PhD)  
Disorders (Differences) of Sex Development: Medical Condition or Identity?  
Model for Psychoendocrine Research or Challenge for Health Care Delivery?

- 2015 Guest lecturer: PSYCH 438 - Hormones and Behavior (Jill Becker, PhD)  
Disorders (Differences) of Sex Development
- 2016 Guest lecturer: PSYCH 438 - Hormones and Behavior (Jill Becker, PhD) Factors  
that Shape Gender Development
- 2018 Guest lecturer: PSYCH430: Sex Differences in Brain, Behavior, and Disease  
(Jennifer Cummings, PhD) Psychosocial Aspects of DSD: Strengths and  
Weaknesses of Current Research and Future Directions
- 2019 Guest lecturer: PSYCH 337: Hormones and Behavior (Jill Becker, PhD)  
Disorders (Differences) of Sex Development

### Research Supervision

#### Undergraduate Research Opportunity Program (UROP)

- 2007 – 2008 Luke Carron
- 2008 – 2009 Nicole Ramanathan, Marissa Flores, Sharan Mullen
- 2009 – 2010 Ross Goldberg, Lauren Warner
- 2011 – 2012 Megan Masten, Avery Gleason
- 2012 – 2013 Megan Masten, Morgan Hawver
- 2013 – 2014 Morgan Hawver, Karen Johnson, Gabriel Kirsch
- 2014 – 2015 Rachel Woods, Nicole Evans
- 2016 – 2017 Youna Lee, Samantha Bailey, Zachery Hampel
- 2017 – 2018 Adriene Melong, Summer Eubank
- 2017 – 2019 Darius Moore
- 2021 – 2022 Myung Jae Ko, Lauren Penrose, Noelia Dulo

#### Undergraduate Volunteer Research Assistants

- 2008 – 2009 Sasha Zarins
- 2009 – 2010 Elissa Sarno, Stephanie Stout, Meagan Carr, Claire Varga
- 2012 – 2013 Victoria Marchenko, Talia Ribnikleena
- 2013 – 2014 Carlos Yeguez, Kathleen Martin
- 2014 – 2015 Eliana Rosen, Arhum Shahab, Victoria Strohm, Aaron, Triweiler
- 2015 – 2016 Taylor Bringard, Peyton Skupin
- 2020 – 2021 Madison Helsel, Samantha Philipp, Emma Kaplan
- 2022 – 2023 Lauren Penrose, Noelia Dulo

#### Undergraduate Independent Study

- 2010 – 2011 Daniel Anderson
- 2017 – 2019 Samantha Bailey, Rachel Tanenbaum

### **University of Michigan Medical School**

- 2006 – 2014 Developmental-Behavioral Pediatrics resident rotation: Topics in  
Psychoendocrinology (monthly lecture)
- 2010 – 2016 M2 Elective: Gender & Orientation Issues in Healthcare. Disorders of Sex  
Development (annual)
- 2014 Genetic Counseling Program, Human Genetics, Psychosexual Differentiation,  
Psychosocial Aspects of DSD, and Clinical Management (biennial)

2016 – 2018 Guest lecturer: Anatomy/Physiology 541 - Mammalian Reproductive Physiology  
Carol Elias, PhD) Sex, Gender and More in Disorders/Differences of Sex  
Development (DSD)

Michigan Health Sciences Undergraduate Research Academy (Office for Health Equity and  
Inclusion; mentored 10-week research training experience)  
2019 Joslyn S Smith, Spelman College, Atlanta, GA

#### Medical Student Research Mentoring

2009 – 2010 Halley Crissman, MPH candidate  
2010 – 2011 Student Biomedical Research Program (SBRP): Tola Oyesanya, Aimee Rolston  
2010 – 2011 SBRP: Emily Torell, Patricia Szmal  
2012 SBRP: Rachel Hatcliffe  
2013 – 2014 Aimee Rolston, Master of Science in Clinical Research, Department of  
Epidemiology in the U-M School of Public Health  
2014 – 2016 SBRP: Megan Lane  
2018 – 2022 SBRP: Alison Baskin  
2022 – 2023 Nora McVinnie, 2nd-year medical student, University College Dublin, School of  
Medicine

#### Research Mentoring, Other

2008 – 2010 Emily Haddad, MSW candidate, School of Social Work

#### Faculty Mentoring

2007 – 2012 Jennifer Butcher, PhD, Child Behavioral Health, Pediatrics  
2007 – 2010 Catherine Peterson, PhD, Child Behavioral Health, Pediatrics  
2007 – 2012 Bethany Sallinen, PhD, Child Behavioral Health, Pediatrics  
2007 – 2015 Beth Tarini, MD, General Pediatrics (Child Health Evaluation and Research Unit)  
2012 – 2020 Blake Lancaster, PhD, Pediatric Psychology, Pediatrics  
2012 – 2020 Amy Drayton, PhD, Pediatric Psychology, Pediatrics  
2014 – 2020 Rachel Knight, PhD, Pediatric Psychology, Pediatrics  
2016 – 2018 Melissa Andersen, PhD, Pediatric Psychology, Pediatrics  
2016 – 2018 Eric Scott, PhD, Pediatric Psychology, Pediatrics  
2016 – 2018 Melissa Cousino, Pediatric Psychology, Pediatrics  
2018 – 2020 Andrew Cook, PhD, Pediatric Psychology, Pediatrics  
2018 – 2020 Hannah Ham, PhD, Pediatric Psychology, Pediatrics  
2018 – Courtney Streur, Pediatric Urology, Urology (K23 Mentor)  
2018 – 2022 Teryn Bruni, Pediatric Psychology, Pediatrics

#### Clinical Supervision (Department of Pediatrics)

##### Pediatric Psychology Practicum

2016 – 2017 Alejandra Arango, MA (University of Michigan)  
2020 – 2021 Lilianne Gloe, MA (Michigan State University)  
2021 – 2022 Mackenzie Norman, MA (Michigan State University)  
2022 – 2023 Lindsay Poole, EdS (Michigan State University)

#### Pediatric Psychology Intern

2022 – 2023 Emily Mace, EdS (University of Kansas)  
2023 – Ashley Hudson, MA (University of Denver)

#### Pediatric Psychology Post-Doctoral Fellows

2006 – 2007 Jennifer Butcher, PhD  
2007 – 2008 My Lien, PhD  
2007 – 2009 Dawn Dore-Stites, PhD  
2008 – 2009 Matthew Myrvik, PhD  
2010 – 2011 Kavita Desai, PhD  
2012 – 2013 Melissa Andersen, PhD

#### Master's Thesis Committees

2012 – 2014 Michelle E. Ernst, MS candidate, Genetic Counseling, University of Michigan, Genetic Counseling Program  
2014 – 2016 Linford Williams, MS candidate, Genetic Counseling, University of Michigan, Genetic Counseling Program  
2016 – 2018 Stephanie Wiryaman, MS candidate, Genetic Counseling, University of Michigan, Genetic Counseling Program  
2019 – 2020 Grace Kavanaugh, MS candidate, Genetic Counseling, California State University, Stanislaus

#### Post-Doctoral Research Fellows *S.B. Meister Child Health Evaluation and Research Center*

2008 – 2009 Natasha Robbins, PhD, Postdoctoral Translational Scholars Program (PTSP), Michigan Institute for Clinical and Health Research  
2014 – 2016 Nina Callens, PhD, Visiting Scholar, Belgian-American Educational Foundation Fellow  
2018 – 2020 Kristina Soursa-Johnson, PhD  
2021 - Behzad Sorouri Khorashad, MD

#### Dissertation Committees

2012 – 2015 Tiffany Abrego PhD candidate, Clinical Psychology, Eastern Michigan University

### **COMMITTEE, ORGANIZATIONAL, AND VOLUNTEER SERVICE**

**University at Buffalo, State University of New York, School of Medicine & Biomedical Sciences**

#### **University Service**

1999 - 2001 Department of Psychiatry Representative to the Faculty Council  
1999 - 2003 Faculty Council Continuing Medical Education Committee (Acting Chair, 2001-2002)  
2000 - 2001 Member, Search Committee for Chief, Division of Pediatric Endocrinology  
2001 - 2006 Health Sciences Institutional Review Board, Alternate  
2000 - 2003 *Ad hoc* Committee for Promotions to Unqualified Ranks,  
2004 - 2006 *Ad hoc* Committee for Promotions to Unqualified Ranks

#### **Departmental Service (Psychiatry)**

1993 – 1994 Strategic Planning Task Force, Academic Management Issues  
 1993 – 1994 Research & Faculty Development Committee  
 1993 – 2006 Appointments, Promotions, Tenure and Privileges Committee (Chair, 1996-2006)  
 1993 – 2006 Research Subcommittee, Division of Child & Adolescent Psychiatry (Chair, 1995-2006).  
 1993 – 1998 Promotions & Credentialing, Division of Child & Adolescent Psychiatry  
 1994 – 1999 Institutional Review Board, Children's Hospital of Buffalo  
 1995 – 2006 Selection Subcommittee for the Child & Adolescent Psychiatry Residency Training Program  
 1995 – 2006 Evaluation Subcommittee for the Child & Adolescent Psychiatry Residency Training Program  
 1995 – 2006 Residency Training Committee, Child & Adolescent Psychiatry  
 2004 Departmental Strategic Planning Retreat, Research Development Work Group.  
 2005 – 2006 Academic Affairs Steering Committee

### **University of Michigan Medical School**

#### **University Service**

2008 – 2009 Member, Pediatric Clinical Research Committee, MICHR Clinical & Translational Science Award (CTSA)

#### **Departmental Service (Pediatrics)**

2006 – Member, Pediatric Directors' Advisory Council  
 2008 – 2009 Member, Grand Rounds Committee  
 2009 – 2010 Co-Chair, ad hoc Committee on Psychosocial Services for C.S. Mott Children's Hospital  
 2010 – 2013 Research Advisory Committee

#### **Division Service (Pediatrics, Pediatric Psychology)**

2020 – Diversity, Equity, and Inclusion Committee

#### **Professional Service**

2001 – 2010 Member, ad hoc *Disorders of Sex Development Committee* (formerly the Committee on Intersexuality), Lawson Wilkins Pediatric Endocrine Society  
 2004 – 2006 Co-Chair, Society of Pediatric Psychology (APA, Div 54) *Task Force on Access to Pediatric Psychology Services*  
 2007 – 2008 Member, *Ethics Committee* of the Lawson Wilkins Pediatric Endocrine Society  
 2009 Member, World Professional Association for Transgender Health (WPATH, formerly known as the Harry Benjamin International Gender Dysphoria Association). Consensus Statement on DSM-V Gender Identity Disorders, workgroup co-leader, Disorders of Sex Development. Oslo, Norway, June 17-20, 2009  
 2010 – 2019 Chair, Committee on Disorders of Sex Development, WPATH  
 2010 – 2011 NICHD, National Newborn Screening Translational Research Network, Endocrine Working Subgroup  
 2010 – 2013 Organization for the Study of Sex Differences, Program Planning Committee

- 2015 – Association of American Medical Colleges (AAMC) Advisory Committee on Sexual Orientation, Gender Identity, and Sex Development (Axis) as Chair of the *Differences of Sex Development Ad Hoc Committee*
- 2016 – 2019 Member, National Institutes of Health (NIH) Sexual and Gender Minority Research Working Group (SGMRWG)
- 2019 – American Psychological Association, Division 54 (Society of Pediatric Psychology): Co-Chair, Differences of Sex Development (DSD) Special Interest Group
- 2019 – 2020 Member, Diane Willis Award Committee; selection of outstanding article in the Journal of Pediatric Psychology

### **Volunteer Service, Committee/Board Work**

*Children's Growth Foundation* <http://www.childsgrowth.org/>

(Member Agency of the United Way of Buffalo & Erie County, NY)

1990 – 1995 Member, Medical Advisory Board

1995 – 2004 President

2004 – 2006 Member, Health Advisory Board

*Buffalo Academy for Visual and Performing Arts*

1993 – 1997 Member, Dance Advisory Board, Buffalo Public Schools

*Human Growth Foundation* <http://www.hgfound.org/>

1994 – 1997 Director-at-Large

*Turner Syndrome Society of the United States* <http://www.turnersyndrome.org/>

2001– Member, Professional Advisory Board

*Consortium on Disorders of Sex Development* <http://www.dsdguidelines.org/>

2005 Member

*Intersex Society of North America* <http://www.isna.org/>

2006 – 2008 Medical Advisory Board

*Accord Alliance* (project of the Tides Center) <http://www.accordalliance.org/>

2007– Founding Member, Advisory Board

*MAGIC (Major Aspects of Growth in Children) Foundation*

<http://www.magicfoundation.org/www>

2001– 2009 Member, Medical Advisory Board

*CARES (Congenital Adrenal hyperplasia Research, Education and Support) Foundation*

<http://caresfoundation.org/symptoms.html>

2007 – Member, Scientific & Medical Advisory Board

### **Community Lectures:**

1. Psychosocial aspects of short stature. Children's Growth Foundation supported talk given to parents of children receiving growth hormone therapy at Children's Hospital of Buffalo (November 7, 1990).
2. Are you male or female? Nichols Wellness Fair, Buffalo, NY (February 28, 1991) (workshop given jointly with T Mazur).

3. Psychosocial aspects of short stature. Children's Growth Foundation, Children's Hospital of Buffalo (November 16, 1991).
4. Psychosocial assessment and clinical management of Turner syndrome. Children's Growth Foundation, Buffalo, NY (March 14, 1992).
5. Teenage sexuality: a talk for parents. Buffalo Academy for Visual and Performing Arts, Buffalo, NY (February 19, 1992 and February 17, 1993).
6. Sexual orientation: potential biological contributions. Westminster Presbyterian Church Adult Program, Buffalo, NY (May 16, 1993).
7. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation, Columbia, MD (November 6, 1993).
8. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation, Montreal, Canada (March 5, 1994).
9. Short stature: psychosocial issues. Human Growth Foundation and Serono Symposia USA, Inc.'s Insights into Growth Disorders, Uniondale, NY (June 11, 1994).
10. Psychological, social, and emotional aspects of being short. Second Combined University of Toronto, McMaster University and the University of Western Ontario Growth Day, Toronto, Ontario (October 22, 1994).
11. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation and Serono Symposia USA, Inc. Dayton, OH (September 17, 1995).
12. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation and Serono Symposia USA, Inc. Atlanta, GA (November 12, 1995).
13. Short stature: psychosocial issues - past experience and new directions. Human Growth Foundation and Serono Symposia USA, Inc. Rockville, MD (May 4, 1996).
14. Short stature: psychosocial issues - past experience and new directions. Human Growth Foundation and Serono Symposia USA, Inc. Chicago, IL (October 26, 1996).
15. Short stature: psychosocial issues - past experience and new directions. Human Growth Foundation and Serono Symposia USA, Inc. Denver, CO (April 5, 1997).
16. Formerly treated growth hormone deficient adults: How well are they doing? Human Growth Foundation, Annual Meeting, Memphis, TN (April 18, 1998).
17. Genital and reproductive anomalies in children. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 18-21, 2002).
18. The psychology of short stature: Are our assumptions based on the scientific evidence? Turner Syndrome Society of the United States, 2002 Annual Convention, St. Louis, MO (August 9-11, 2002).
19. Career Day Program, Pediatric Psychology. West Seneca West High School, West Seneca, NY (November 20, 2002).
20. Psychosocial aspects of short stature and assumptions underlying its treatment with growth hormone therapy. Family Growth Day 2003, Winnipeg Children's Hospital, Winnipeg, Canada (March 22, 2003).
21. The psychology of short stature. Children's Growth Foundation Annual Family Meeting, Buffalo, NY (May 3, 2003).
22. Psychosocial aspects of short stature and assumptions underlying its treatment with growth hormone therapy. Turner Syndrome Support Group of Central New York, Syracuse, NY (June 13, 2003).

23. Invited testimony (with Anne Lockwood, Ph.D.) at the Public Hearing, Preventing Childhood Obesity at School, At Home and in the Community / Task Force on Food, Farm and Nutrition Policy; Chair, New York State Assemblyman Felix W. Ortiz. University at Buffalo (July 5, 2003).
24. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 25-27, 2003).
  - Coping with a chronic illness - how it affects the family
  - Psychosocial issues affecting girls/adolescents with Turner syndrome
  - Genital and reproductive anomalies in children: How can I support my child?
25. A Fair and Balanced Look at Short Stature: Myth and Reality. Family Growth Day, Hospital for Sick Children, Toronto, Canada (October 25, 2003).
26. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 22-25, 2004).
  - Special challenges facing older children with CAH
  - Psychosexual issues in children born with genital or reproductive anomalies:
  - How can I best support my child?
  - Family matters: The affected child is not the only one affected
27. Family Matters. Children's Growth Foundation Annual Family Meeting, Buffalo, NY (March 13, 2004).
28. Coping with a Chronic Illness – How It Affects the Family. Hemophilia Center of Western NY, Buffalo, NY (September 27, 2004).
29. CARES (Congenital Adrenal Hyperplasia Research Education and Support) Foundation, 2004 Conference on Congenital Adrenal Hyperplasia, Summit, NJ (October 24, 2004).
  - How can I best support my child and impact of CAH on siblings and families (with Sheri Berenbaum, PhD and Susan Baker, PhD)
  - Older kids with CAH: Discussion group for male teens
  - Younger kids with CAH: Discussion group for pre-teens
30. The Impact of Chronic Illness on the Family. Children's Growth Foundation Annual Family Meeting, Buffalo, NY (April 9, 2005).
31. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 20-23, 2005).
  - Will they ever do it on their own? Discussion group with parents with teens with congenital adrenal hyperplasia (with Tom Mazur, PsyD)
  - Helping your child to positively manage a genital and reproductive difference: Parts 1 & 2 (with Tom Mazur, PsyD and Ellen Bean)
32. Coping with a Child's Chronic Illness -- How It Can Affect the Family. Western New York PKU Association, Buffalo, NY (February 4, 2006).
33. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 23-26, 2006).
  - Strategies to get through those difficult times in raising a child with CAH
  - Parenting a child who has a genital or reproductive difference: What professionals have learned from 50 combined years of clinical experience that can help MAGIC parents (Parts 1 & 2) (with Tom Mazur, PsyD)
34. Hypospadias & Epispadias Association, New York, NY (July 29-31, 2006).
  - Childhood gender and psychosocial development in boys with hypospadias

- A psychoeducational treatment manual for families of newborns with congenital health problems: A pilot project
35. Congenital Adrenal Hyperplasia Family Education Day, Ann Arbor, MI (May 19, 2007)
    - Family coping with CAH
  36. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Wheeling, IL (July 19-22, 2007).
    - CAH research: Putting it in perspective. (with Phyllis W. Speiser, MD)
    - What you need to know about genital and reproductive anomalies in 2007 (with Tom Mazur, PsyD)
    - What parents want to discuss about genital and reproductive anomalies
  37. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Wheeling, IL (July 24-27, 2008).
    - Raising a medically responsible adolescent
    - Coping with a child's chronic illness -- how it can affect the family
    - Helping your child adjust to a Disorder of Sex Development (DSD)
  38. Lake County Health Department and Community Health Center, Is It a Boy or a Girl? Understanding Clients with Disorders of Sex Development (DSD), Gurnee, IL (September 19, 2008).
    - Overview of Disorders of Sex Development
  39. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Wheeling, IL (July 23-26, 2009).
    - Congenital Adrenal Hyperplasia: Vision for a new research agenda and improved model of care
    - Understanding Disorders of Sex Development: How We Can Help Our Children
  40. Lake County Health Department and Community Health Center, Overview of Disorders of Sex Development (DSD), Schaumburg, Illinois (October 21, 2011).
  41. Androgen Insensitivity Syndrome-Disorders of Sex Development Support Group for Women and Families. Oklahoma City, OK (June 21-24, 2012).
    - Getting to Know You - Sharing Family Stories. Facilitators: Arlene Baratz MD, Mark Baratz MD, Charmian Quigley MD, David Sandberg PhD, Barbara Neilson MSW, Amy Wisniewski PhD
    - Informed Consent & Asserting Yourself in the Doctor's Office. Anne Tamar-Mattis JD, Suegee Tamar-Mattis MD, Arlene Baratz MD, Charmian Quigley MD, Lesley Breech MD, Samantha Pfeifer MD, David Sandberg PhD
    - Parenting Boys with DSD. William Reiner MD and David Sandberg PhD
    - Informational session regarding DSD-Translational Research Network and role for advocacy and support group representation. David Sandberg PhD, Eric Vilain MD PhD and Janet Green (Accord Alliance)
  42. Turner Syndrome Society, Michigan Chapter, Social skills in girls with Turner syndrome: a neglected target for intervention? Livonia Civic Center Library (June 22, 2013).
  43. Turner Syndrome Society of the United States, 27<sup>th</sup> Annual Conference. Giving your daughter tools for independence. Jacksonville, FL (July 11-13, 2014)
  44. DSD (Disorders of Sex Development) Family Day. University of Michigan Program for Disorders of Sex Development (DSD) at C.S. Mott Children's Hospital. Communication with children and adolescents about their DSD. University of Michigan North Campus Research Complex, Ann Arbor, MI (March 5, 2016)

45. CARES Foundation, CAH Women's Support Call. Q&A Virtual meeting (April 22, 2021)
46. Accord Alliance and DSD Translational Research Network, Family Day (April 23, 2022).  
Peer support moderator.

## **CONSULTING POSITIONS**

- |             |   |
|-------------|---|
| 2000 - 2001 | American Psychological Association, Pediatric Endocrine Nursing Society, and Pharmacia Corporation <i>Partners for Healthy Growth</i> Project, Washington, DC |

| 2011        | Ipsen Pharmaceuticals, ANTARES (Adequate Management of Transitional Age with Growth Deficiencies), Milan, Italy   |

## **VISITING PROFESSORSHIPS, SEMINARS, AND EXTRAMURAL INVITED PRESENTATIONS**

### **University at Buffalo, State University of New York**

1. Regional Conference on Recognition and Management of Growth Failure in Childhood. Psychosocial aspects of short stature (March 6, 1991).
2. Grand Rounds Presentation, Department of Pediatrics. Psychosocial aspects of short stature: early clinical and emerging research perspectives (February 12, 1993).
3. Grand Rounds Presentation, Department of Pediatrics. Children's Hospital of Buffalo, NY. Congenital hypothyroidism: treatment approaches (with SP Campos) (July 15, 1994).
4. Spring Seminar Series, Department of Social & Preventive Medicine. The developmental effects of sex hormones on human behavior, Buffalo, NY (February 10, 1995).
5. Grand Rounds Presentation, Department of Psychiatry. Short stature: A psychosocial burden requiring growth hormone therapy? (January 31, 1997).
6. Grand Rounds Presentation, Department of Pediatrics. The quality-of-life benefits of growth hormone-increased adult height: What's known (October 29, 1999).
7. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. Endocrine disruptors and human sex-dimorphic development (July 14, 2002).
8. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. Endocrine disruptors and human sex-dimorphic development (June 13, 2003).
9. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. Stereotypes vs evidence: The example of 'short stature' and its clinical management (July 16, 2004).
10. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. The psychosocial aspects of short stature: Are our assumptions evidence-based? (July 29, 2005).
11. Grand Rounds Presentation, Department of Pediatrics. Assessing patient centered communication at WCHOB. Discussant. (March 3, 2006).

## University of Michigan

1. Pediatrics & Communicable Diseases, Alumni Association. Growth hormone treatment for short stature: Questioning assumptions and gauging success. (October 20, 2006).
2. Pediatrics & Communicable Diseases, Health Services Research Seminar. Psychoendocrine travel log and tour of future destinations. (October 24, 2006).
3. University of Michigan Medical School, LGBT Health Awareness Week. Disorders of sex development: Clinical decision-making in a state of flux. (March 16, 2007).
4. Pediatrics & Communicable Diseases, Grand Rounds. Newborn screen as a laboratory for service delivery research: optimizing health and quality of life outcomes in pediatric chronic illness. (May 29, 2007).
5. Department of Surgery, Michigan Interdisciplinary Committee on Disorders of Sex Development. Consensus Statement on Management of Disorders of Sex Development (DSD). (June 11, 2007).
6. Pediatrics & Communicable Diseases, Health Services Research Seminar. Variability in clinical management of disorders of sex development: reasons to be concerned, (October 30, 2007).
7. Pediatrics & Communicable Diseases, Grand Rounds. Management of disorders of sex development: The case for integrated team care. (January 22, 2008).
8. Bioethics Program, Grand Rounds. Psychosocial Aspects of Height and Its Management. (March 26, 2008).
9. Pediatric Surgery Didactic Lecture. Disorders of Sexual Development: Psychosocial factors and clinical management (June 4, 2009).
10. Pediatrics & Communicable Diseases, Health Services Research Seminar. Disorders of Sex Development: Report on a Research and Quality Improvement Symposium (June 23, 2009).
11. Department of Psychology (Woman Studies 407, Intersexualities). Psychoendocrine Travel Log -- The Thread Only Seen in Hindsight (September 29, 2009).
12. UMHS Center for Sexual Health, Addressing Sexual Health with Patients with Disorders of Sex Development: A Case for a Surgeon - Sex Therapist Collaboration, Discussant (October 31, 2009).
13. University of Michigan (co-sponsored by OUTLAWS, BGLAM, The Michigan Journal of Gender & Law, SAGE, The University of Michigan Department of Psychology) Exploring Intersex. A panel discussion exploring the medical, legal & ethical issues that accompany disorders of sexual development & intersex conditions (March 11, 2010).
14. Pediatrics & Communicable Diseases, Health Services Research Seminar. Experiences vs memory: which drive our choices and reports of satisfaction? (June 22, 2010).
15. Department of Social Work, Staff Development Lecture Series. Disorders of Sex Development: More than New Nomenclature (August 19, 2010).
16. Pediatrics & Communicable Diseases, Health Services Research Seminar. Congenital Adrenal Hyperplasia: A systematic survey of studies employing psychological endpoints? (May 31, 2011).
17. Pediatrics & Communicable Diseases, Health Services Research Seminar. Management of disorders of sex development: Is there a consensus? (February 5, 2012).
18. Center for Bioethics and Social Sciences in Medicine, Winter 2013 Seminar Series. Management of disorders of sex development: Is there a consensus? (February 6, 2012).
19. Pediatrics & Communicable Diseases, Grand Rounds. Disorders of Sex Development (DSD): The Clinical Research Agenda. (June 22, 2014).

20. Center for Organogenesis Translational – Cross Talk Series. Disorders of sex development, from biochemistry to behavior. (with Rich Auchus, MD, PhD) (December 18, 2014).
21. Department of Pediatrics, Grand Rounds. Shared decision making in pediatrics: Science and tools to facilitate involvement of parents and children in healthcare decisions (with Dawn Stacey, RN, PhD, CON(C)) (March 1, 2022) Virtual presentation.

## **Regional**

1. Queens Children's Psychiatric Center, Grand Rounds Presentation. Boys with congenital abnormalities of the sex organs, Queens, New York, NY (March 27, 1986).
2. Rockland Children's Psychiatric Center, Grand Rounds Presentation. Androgens and male development. Orangeburg, NY (January 6, 1987).
3. Villanova University chapter of PSI CHI (National Honor Society in Psychology). Paper presented at the Induction Ceremony. Androgens and Psychosocial Development of the Male. Villanova, PA (April 1, 1987).
4. Queens Children's Psychiatric Center, Grand Rounds Presentation. Boys with congenital anomalies of the sex organs: A research update. Queens, New York, NY (December 10, 1987).
5. North Shore University Hospital, Department of Psychiatry, Division of Child & Adolescent Psychiatry, Grand Rounds Presentation. Gender role and behavior problems of boys born with genital anomalies. Manhasset, NY (January 23, 1989).
6. North Shore University Hospital, Department of Pediatrics, Grand Rounds Presentation. Psychosocial aspects of short stature. Manhasset, NY (March 15, 1989).
7. North Dakota State University, Department of Psychology, Distinguished Speaker Series. Sex-dimorphic behavior and behavior problems in boys born with genital anomalies. Fargo, ND (February 16, 1990).
8. North Shore University Hospital-Cornell University Medical College, Department of Psychiatry (Division of Child & Adolescent Psychiatry), Grand Rounds Presentation. Short stature: a psychosocial burden requiring growth hormone therapy? Manhasset, NY (October 9, 1992).
9. Miami Children's Hospital, Noon Conference. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Miami, FL (April 19, 1994).
10. Northwestern University, Children's Memorial Hospital, Department of Pediatrics. Consensus Statement on Management of Intersex Disorders. Event sponsored by Division of General Academic Pediatrics. Chicago, IL (July 24, 1996).
